CODE MASTER

The American Standard Code for Information Interchange (ASCII) is one of the few bits of computer technology worth studying in your next bit, in this case, in your pocket and on laptop (for both programming and the pertinent deciphering pointer codes). ASCII numbers can experiment in BASIC with the command PRINT CHR\$(ASC) code. Attempting to print non-printing characters will have some unexpected effects. Try PRINT CHR\$(%).

COMPUTER REPAIRS

Computer packed-up, refuses new games (not willing to go beyond)? Adversely exposed (big egg?)? Won't go - many independent companies will repair mine. Fees and prices vary widely - and, of course, timey wimey/be worth repairing the machine - so always phone or write for details before sending your computer off.

ACE Subscription Offers

If you haven't got a subscription to ACE yet, just take a look at what we're offering and then see if you can resist.

12 issues for the price of 10

Yes, for only £17.95 - the price of 12 issues in the shops - subscribers receive a staggering 12 issues of ACE. That's one whole juicy issue of ACE absolutely free, gratis and for nothing! You know it makes sense.

ACE Conferences

FREE only to ACE subscribers, the ACE Conference is a revolutionary new way to have your say with the games producers. The ACE Conferences will take place at a variety of locations throughout the country and will be hosted by major software houses. They are your chance to praise or grouse about the state of computer entertainment with the people whose games you are buying. There's no obligation to be polite - you just let rip with what's on your mind.

Subscribers get priority booking at ACE Conferences - and places are strictly limited. And there is such a thing as a FREE lunch - you'll get one when you attend. Plus, the ACE Conferences will be featured in ACE magazine, so there's chance to get your picture and your views well known.

InterACE

EXCLUSIVE to ACE subscribers, InterACE is a quarterly newsletter written by the ACE team - with the help of the ACE subscribers. It will contain news, views and controversial items that will constantly be updated to fit in with what you, the subscribers, want. And it could be your chance to break in to the world of big time computer journalism.

Do it!

With all that going for it, you'd be a mug not to send off a cheque or postal order for £17.95, payable to ACE Magazine, to ACE Subscriptions, PO Box 508, Letchworth, Herts SG8 6LA. Telephone Enquiries 0783 555167. Credit Card orders 0858 47088.
